

European Championship in Prehistoric Archery and Spear Throw September 28-29, 2013

Dear Friends

We are pleased to be holding championships in the Val Senales Valley for the second time this year. We are a small outdoor archaeological museum near the location where Ötzi the Iceman was found. In a larch forest in the middle of the Gruppo Tessa National Park, right at an elevation of 1,500 m. above sea level, we are preparing the grounds for our tournament in our high mountain valley through which Ötzi himself was traveling 5,300 years ago...

Friday, September 27
